

Instalar a agenda:

Vá para o site [Drupal.org](https://www.drupal.org) e acesse a página do módulo FullCalendar View

https://www.drupal.org/project/fullcalendar_view

Módulo: FullCalendar View

ou vá para [Drupal.org](https://www.drupal.org) > Download > Modules

Em Search modules digite **FullCalendar View**

The screenshot shows the Drupal.org search results page for 'FullCalendar View'. The search filters are set to 'Full projects', 'All projects', and 'Relevancy'. The search results show 12 modules matching the search. The 'FullCalendar View' module is highlighted. The page also features a 'Contribute' section with links to 'Contributor guide', 'Add a project', and 'Report a security issue'. A 'New Modules' section lists 'Fullcalendar Dynamic', 'Calendar event notifications', 'FullCalendar Solr', and 'Viewer'.

e clique no resultado.

The screenshot shows the 'FullCalendar View' module page on Drupal.org. The page features a 'View' button, a description of the module, and a list of features. The features are categorized into 'Community Edition Version' and 'Premium Version'. The 'Community Edition Version' features include: Day, week, month view; Creating a new event by double clicking; Event colors based on taxonomy or content type; In-Place editing; Event drag and drop; Resize event (Only available for all day event); Create a new event via Drupal Off-Canvas dialog; Recurring (Repeated) event; Support Multilingual; Popup Tooltip for event description; Draggable and resizable modal for showing details of a calendar entry. The 'Premium Version' section is currently empty. The page also includes a 'Maintainers' section with profiles for 'mingsong' and 'karing', and an 'Issues for FullCalendar View' section with a search bar and a link to 'Advanced search'. The total number of issues is 42 open, 451 total.

Vá para o fim da página

Em **Releases**, clique na versão desejada, no nosso caso em 5.1.14

Observe que o módulo indica qual versão do Drupal são compatíveis.

Exemplo: a versão 5.4.1 é compatível com as versões do Drupal 9.2.0 (e acima) e versão 10
Works with Drupal ^9.2.0 || ^10

Clique com o botão direito do mouse em [Download.tar.gz](#) ou em [Download.zip](#) e copie o endereço do link.

Vá para o site que deseja instalar a agenda como administrador.

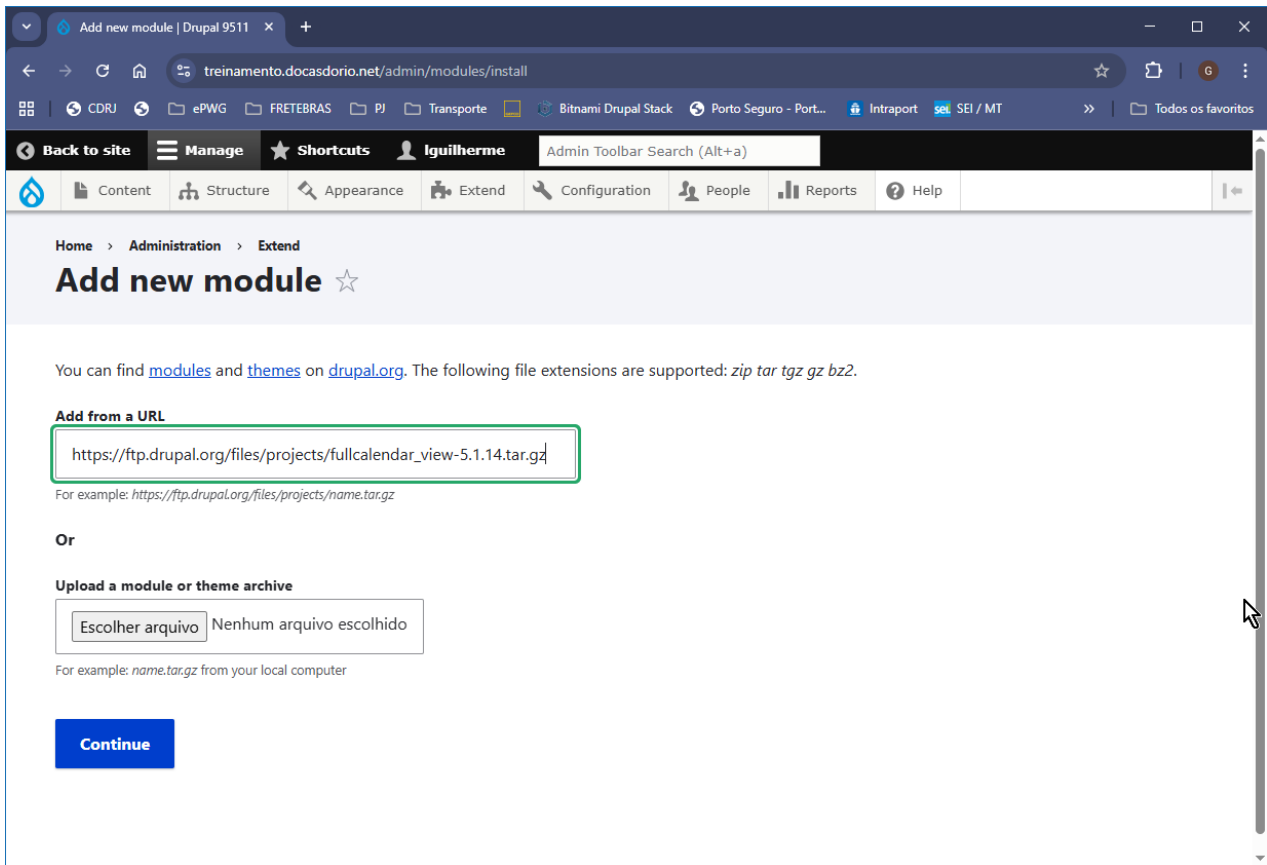

No menu do administrador, vá para Install new module (instalar novo módulo)

[Administration](#) > [Extend](#) > [Install new module](#)

Vai abrir a página Add new module

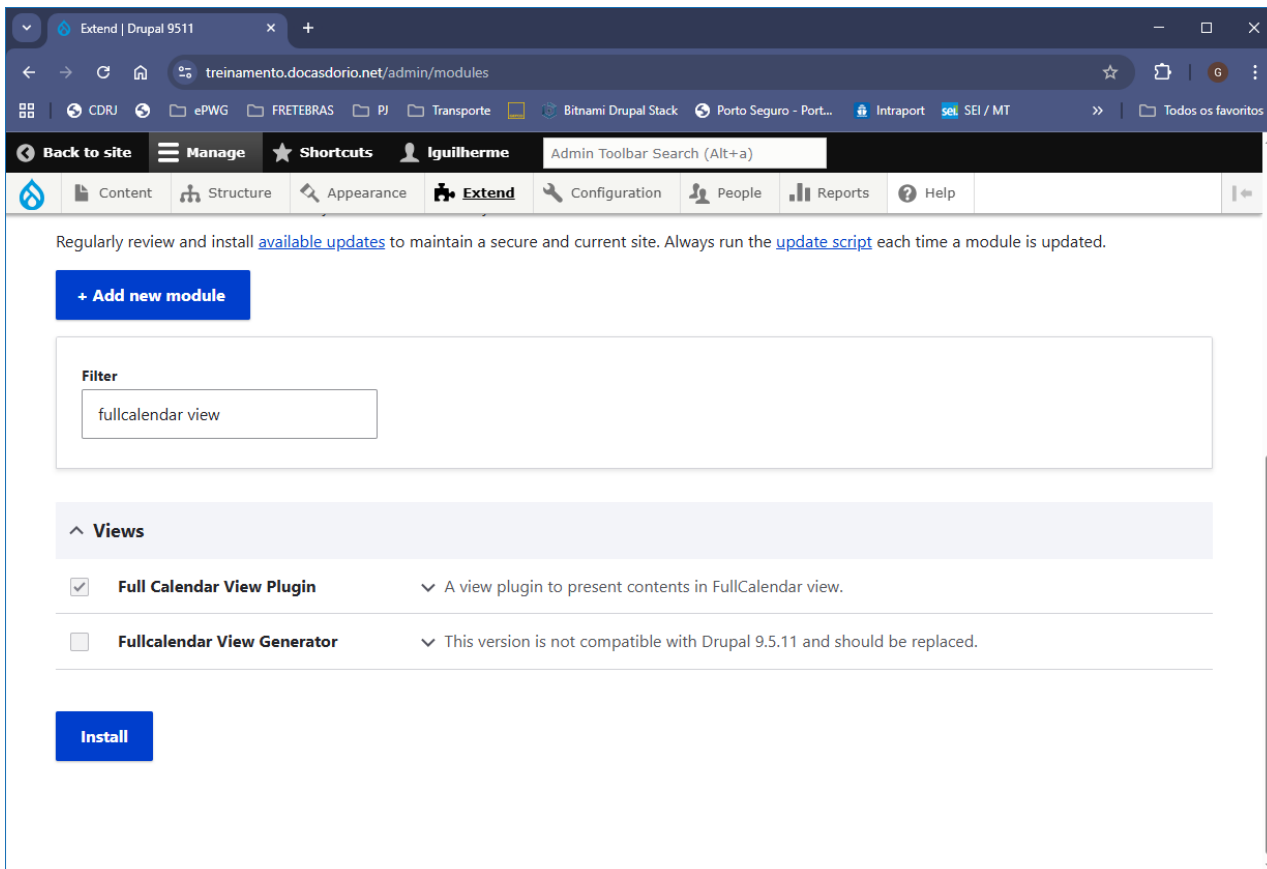

em **Add from a URL**, cole o endereço do módulo (compactado).

Clique **Continue**

A agenda será instalada, mas ainda não está ativada.

Para ativar a agenda clique no menu Extend, digite Fullcalendar marque a checkbox e clique **Install**

Módulo da Agenda instalada: Fullcalendar View
https://www.drupal.org/project/fullcalendar_view

mesma coisa abaixo, usando outro tema para a interface de administração

The screenshot shows the Drupal administration interface for the 'Extend' module. The browser window is titled 'docasitorio.net/admin/modules'. The interface includes a top navigation bar with 'Back to site', 'Manage', 'Shortcuts', and a user profile 'Iguilhermesb'. Below this is a secondary navigation bar with icons for 'Content', 'Structure', 'Appearance', 'Extend', 'Configuration', 'People', 'Reports', and 'Help'. The main content area is titled 'Extend' and has tabs for 'List', 'Update', and 'Uninstall'. A breadcrumb trail shows 'Home > Administration > Extend'. A green message box indicates the site is 'Operating in maintenance mode. Go online.' A red warning box states: 'Your version of Drupal is no longer supported. Upgrading is strongly recommended! See the available updates page for more information and to install your missing updates. There are security updates available for one or more of your modules or themes. To ensure the security of your server, you should update immediately! See the available updates page for more information and to install your missing updates.' Below the warning, there is text: 'Add contributed modules to extend your site's functionality. Regularly review and install available updates to maintain a secure and current site. Always run the update script each time a module is updated.' A blue button '+ Add new module' is present. A search input field contains the text 'calendar' with the placeholder 'Enter a part of the module name or description'. Under the 'VIEWS' section, a table lists the 'Full Calendar View Plugin' with details: 'A view plugin to present contents in FullCalendar view.', 'Machine name: fullcalendar_view', 'Version: 5.1.14', and 'Requires: Views, Filter, User, System, Datetime, Field'.

Configurar **AGENDA**

Exemplo: Criar a agenda da INTERAGI como vista na figura abaixo no site de produção:

The screenshot displays the 'Agenda SUPTIN' page on the website of PortosRio. The page features a navigation menu at the top with categories like 'INÍCIO', 'A EMPRESA', 'PORTOS', 'NEGÓCIOS', 'PARCERIAS', 'SUSTENTABILIDADE', and 'ACESSO À INFORMAÇÃO'. The main content area is titled 'Agenda SUPTIN' and includes a breadcrumb trail: 'Início > Acesso à Informação > Institucional > Agenda SUPTIN'. Below the title, the user 'Carlos Rodrigo Cerveira - Titular' is identified as the 'Superintendência de Tecnologia da Informação'. A calendar for 'agosto 2025' is shown, with the date '15' highlighted. To the right of the calendar, there are sections for 'IDIOMA' (Português BR, English), 'CONTRASTE' (color and font options), and 'LINKS DIRETOS' (Acessibilidade, Espaço do Empregado, etc.). A button labeled 'Agendas de Autoridades' is visible at the bottom left.

Organizar a aba **Manage form display**

A aba Manage form display é usada para organizar a disposição dos campos no formulário que será utilizado pelo usuário para preencher o conteúdo, no caso, da Agenda INTERAGI. Além da ordem na exibição, alguns ajustes são possíveis, dependendo do tipo do campo. Por exemplo, uma **lista** pode ser exibida como **Select List | ▼** (padrão) ou **Check box / Radio buttons | ▼** na coluna **WIDGET**.

Ir para a Aba **Manage form display**

The screenshot shows the 'Manage form display' configuration page in Drupal. The breadcrumb trail is: Home » Administration » Structure » Content types » Agenda INTERAGI. A security update notification is displayed at the top. Below the notification, there is a table with columns 'FIELD' and 'WIDGET'. The table lists various fields and their corresponding widget types, along with additional configuration options for each widget. A 'Save' button is located at the bottom of the page.

A role defines a group of users that have certain privileges. These privileges are defined on the [Permissions](#) page. Here, you can define the names and the display sort order of the roles on your site. It is recommended to order roles from least permissive (for example, Anonymous user) to most permissive (for example, Administrator user). Users who are not logged in have the Anonymous user role. Users who are logged in have the Authenticated user role, plus any other roles granted to their user account.

Clique em **[Save Permissions]** no final da lista

Próximo passo: inserir um usuário no grupo P_Agenda_INTERAGI e testar a edição de conteúdo da Agenda. Criar o usuário **user.teste** e inserir no perfil de editores da Agenda SUPTN cujas regras (roles) foram determinadas.

Clicar em **[Create new account]** ou ir para People > Add User

- **username:** user.teste
- **password:** 123abc@
- **Status:** active
- **Roles** (perfil) P_Agenda_INTERAGI
- **Desmarque** Personal contact form
- **Time zone:** Sao Paulo

Clique **[Save]**

A tela retorna para a lista de usuários

*Nota: a página contendo a View da agenda ainda não foi montada, porém o usuário já consegue preencher o formulário do conteúdo **Agenda INTERAGI** criado anteriormente.*

The screenshot shows a web browser window with the URL 'docasitorio.net/admin/people/create'. The page is the 'Add user' form in Drupal. The 'Username' field contains 'user.teste'. The 'Password' field is filled with dots, and the 'Confirm password' field is also filled with dots. Below the password fields, it says 'Password strength: Weak' and 'Passwords match: yes'. There are recommendations to make the password stronger: 'Make it at least 12 characters' and 'Add uppercase letters'. The 'Status' section has 'Active' selected. The 'Roles' section has 'Authenticated user' and 'P_Agenda_SUPTIN' selected. The 'Picture' field is empty.

A tela irá retornar para Add user, pois poderão haver outros usuários a serem cadastrados. Como este não é o caso,

Testando o preenchimento do formulário pelo usuário:

Para testar o que o usuário (que acaba de ser criado com senha provisória), pode fazer, basta fazer o login como ele. Se se trata de um usuário real, já existente, use um usuário de teste inserindo ele no mesmo grupo do usuário real e faça o login como ele.

Outra forma de fazer isso (verificar as autorizações de um usuário real) é usar o módulo **Masquerade**. Como o nome diz, o administrador coloca a "máscara" do usuário que deseja testar sem necessidade da senha dele e procede aos testes. Depois basta tirar a máscara (Unmasquerade) e voltar a ser o administrador.

Clicar em Pessoas (People) no menu do Administrador

HOME AGENDA NEGÓCIOS PORTOS SUSTENTABILIDADE ACES

conteúdo a ser criado para a Agenda INTERAGI

No caso, o compromisso da INTERAGI para um determinado dia a ser escolhido.

Caso precise alterar o formulário, vá para: Structure > Content Types > Agenda INTERAGI > ABA Manage Form

The screenshot shows a web browser window with the URL `docasorio.net/node/add/agenda_suptin`. The page header includes the site name 'TESTE' and a search bar. The navigation menu contains links for HOME, AGENDA, NEGÓCIOS, PORTOS, SUSTENTABILIDADE, ACESSO À INFORMAÇÃO, LINKS, and INTERAGI. The main content area features a large banner for 'Create Agenda SUPTIN' and a breadcrumb trail: Home > Add Content > Create Agenda SUPTIN > Create Agenda SUPTIN.

The form contains the following sections:

- Agenda SUPTIN hoje ***: A text input field.
- Agenda SUPTIN - Nome ***: A text input field containing 'Superintendente de TI'.
- Agenda SUPTIN - Exercício**: Radio buttons for 'N/A', '- Titular', and '- Substituto(a)'. The 'N/A' option is selected.
- Agenda SUPFIN - Data**: A date field showing '22 / 08 / 2025'.
- Agenda SUPTIN - Compromissos**: A rich text editor with a toolbar and a 'Source' button.
- Revision information**: A section with 'No revision' and a 'Display settings' button. It includes a 'Revision log message' field with a placeholder text: 'Briefly describe the changes you have made.'

On the right side, there is a **USER ACCOUNT MENU** with links for 'Unmasquerade', 'My account', and 'Log out', and a **TOOLS** section with links for 'Add content' and 'Recent content'.

At the bottom of the form, there are 'Save' and 'Preview' buttons. The footer includes 'Powered by Drupal' and an 'Up' arrow icon.

Display

Formulário preenchido com um compromisso no dia 22/08/2025
Clique em [Save] no final da página para salvar o compromisso.

The screenshot shows a web browser window with the URL `docasorio.net/node/add/agenda_suptin`. The page is titled "Create Agenda SUPTIN" and is part of a content management system. The header includes a search bar and a navigation menu with items like HOME, AGENDA, NEGÓCIOS, PORTOS, SUSTENTABILIDADE, ACESSO À INFORMAÇÃO, LINKS, and INTERAGI. The main content area is divided into several sections:

- Agenda SUPTIN hoje ***: A text input field containing "Reunião de Equipe".
- Agenda SUPTIN - Nome ***: A text input field containing "Superintendente de TI".
- Agenda SUPTIN - Exercício**: A radio button selection with options: N/A, - Titular, and - Substituto(a).
- Agenda SUPFIN - Data**: A date selection field showing "22 / 08 / 2025".
- Agenda SUPTIN - Compromissos**: A rich text editor with a toolbar (Bold, Italic, Link, etc.) and a text area containing "Reunião com a Equipe de TI sobre atualização do site." Below the text area is a link "About text formats".
- Revision information**: A section with "No revision" and a "Display settings" button. It includes a "Revision log message" field with a placeholder "Briefly describe the changes you have made."

On the right side, there is a **USER ACCOUNT MENU** with links for "Unmasquerade", "My account", and "Log out", and a **TOOLS** section with links for "Add content" and "Recent content". At the bottom of the page, there are "Save" and "Preview" buttons, and a footer indicating "Powered by Drupal".

Resultado:

The screenshot shows a Drupal website with a navigation menu including HOME, AGENDA, NEGÓCIOS, PORTOS, SUSTENTABILIDADE, INFORMAÇÃO, LINKS, and INTERAGI. A red callout box labeled "Título" points to the "INFORMAÇÃO" menu item. Below the navigation is a banner for "Reunião de Equipe". A green message bar states "Agenda SUPTIN *Reunião de Equipe* has been created." Below this, there are tabs for "View", "Edit", "Delete", and "Revisions". The main content area displays details for the agenda item: "Agenda SUPTIN - Nome: Superintendente de TI", "Agenda SUPTIN - Exercício: - Titular", "Agenda SUPFIN - Data: 22 August, 2025", and "Agenda SUPTIN - Compromissos". Red lines connect these labels to a legend: "Nome" is labeled "Inline", "Exercício" is "Inline", "Data" is "Inline", and "Compromissos" is "Above". A red box contains the text "Obs: corrigir SUPFIN para SUPTIN". On the right, there is a "USER ACCOUNT MENU" with options like "Unmasquerade", "My account", and "Log out", and a "TOOLS" section with "Add content" and "Recent content".

Ooops! Devemos corrigir o label de SUPFIN para INTERAGI !

Volte para ser administrador, removendo a máscara ao clicar em **Unmasquerade** caso tenha usado esse método ou saindo (Logout) do user.teste e logando como administrador.

Vá para:

Structure > Content Types > Agenda INTERAGI > ABA Manage Fields

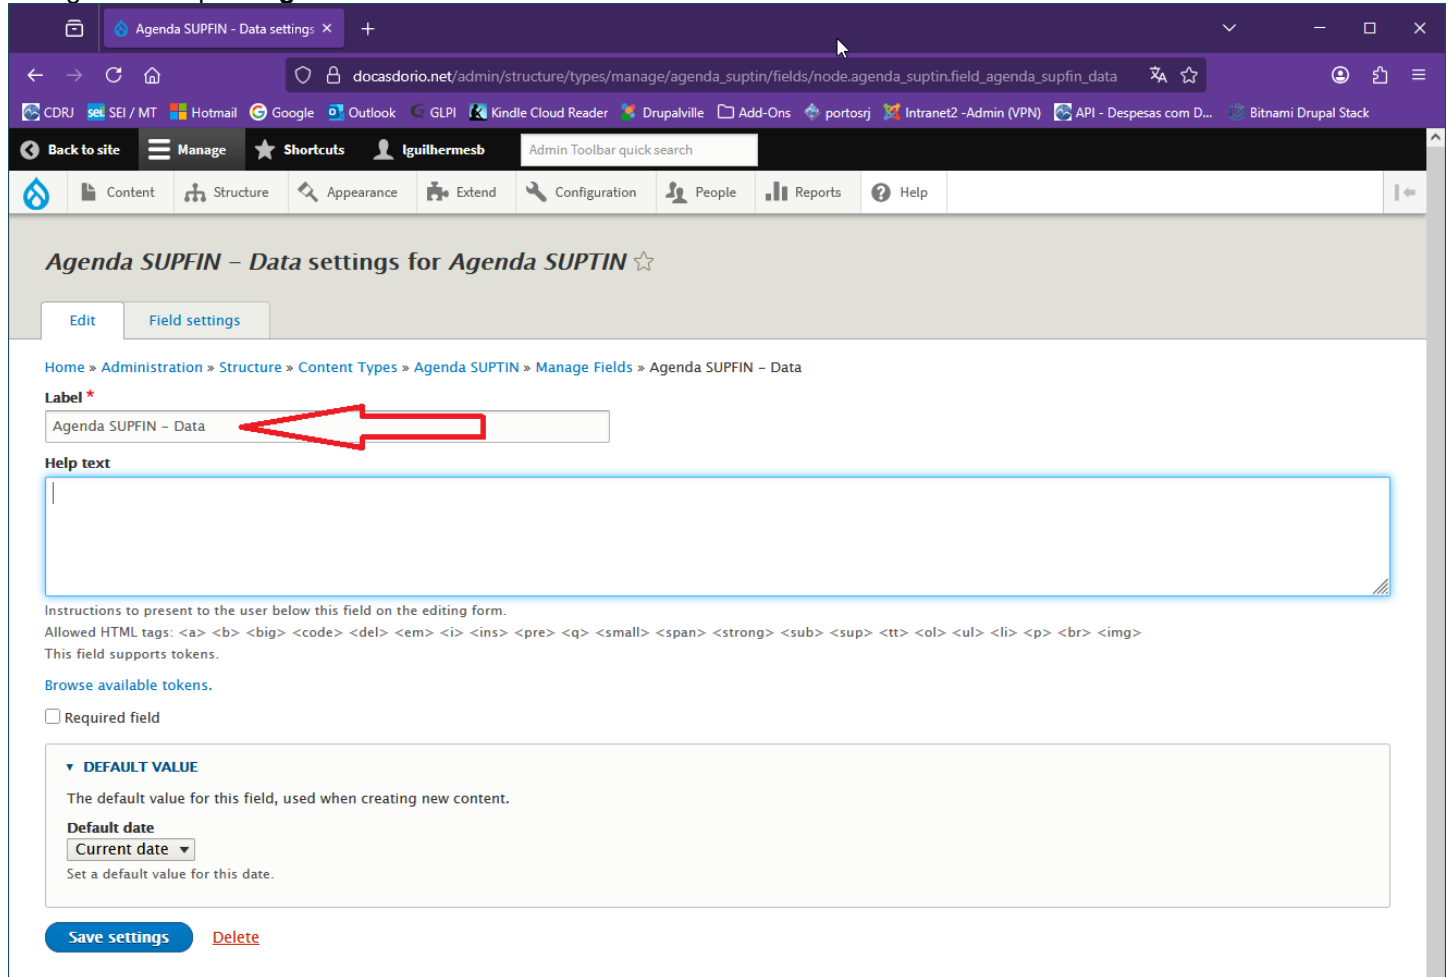

The screenshot shows the "Manage fields" interface for the "Agenda SUPTIN" content type. It includes tabs for "Edit", "Manage fields", "Manage form display", "Manage display", and "Manage permissions". The breadcrumb trail is "Home > Administration > Structure > Content Types > Agenda SUPTIN > Manage Fields". A "+ Add field" button is visible. Below is a table of fields:

LABEL	MACHINE NAME	FIELD TYPE	OPERATIONS
Agenda SUPFIN - Data	field_agenda_supfin_data	Date	Edit
Agenda SUPTIN - Compromissos	field_agenda_suptin_compromissos	Text (formatted, long)	Edit
Agenda SUPTIN - Exercício	field_agenda_suptin_exercicio	List (text)	Edit
Agenda SUPTIN - Nome	field_agenda_suptin_nome	Text (plain)	Edit

Red arrows point to the "Agenda SUPFIN - Data" label and its corresponding "Edit" button.

Clique em Edit

Label foi corrigido !

Log das Revisões

Para ver as revisões anteriores, inclusive quem editou a revisão corrente, clicar em [Revisions](#)

Vai abrir a tela Revisions for *Reunião de Equipe*

Como não existem salvas anteriores desta página, só aparece a revisão corrente, por user.teste em 22/08/2025 17:23. Para retornar, clique na aba **Ver** (View). Não confundir com “Views” que será visto a seguir.

Repassando os tópicos vistos **até aqui**:

1. Instalação do módulo da agenda – FullCalendar View
[Administration > Extend > Add New Module](#)

2. Criar o Tipo de Conteúdo (Content Type) Agenda INTERAGI
[Structure > Content Types > Add Content Type](#)

- Adicionar os seguintes campos na aba **Manage Fields** do tipo de conteúdo Agenda INTERAGI:

Rótulo	Tipo do Campo (Field type)
Agenda INTERAGI - Compromissos	Text (formatted, long)
Agenda INTERAGI - Data	Data
Agenda INTERAGI - Exercício	List (text)
Agenda INTERAGI - Nome	Text (plain)

- Organizar a aba **Manage form display** (Formulário)
- Organizar a aba **Manage display** (Exibição)

3. Criar o grupo de usuários (Perfil) P_Agenda_INTERAGI

4. Atribuir permissões ao grupo de usuários P_Agenda_INTERAGI:

5. Criar um usuário de teste no grupo P_Agenda_INTERAGI

6. Adicionar Conteúdo à Agenda INTERAGI (para testar o preenchimento do formulário pelo usuário)
[Content > Add Content > Agenda INTERAGI](#)

7. Corrigir o Label no campo Agenda INTERAGI – Data (estava errado: Agenda SUPFIN - Data)

Agora que criamos o tipo de conteúdo (Content type) **Agenda INTERAGI**, criamos o perfil de usuário **P_Agenda_INTERAGI** editamos as **permissões** referentes a este perfil e criamos um **usuário de teste** para verificar o preenchimento do formulário de compromissos, (ou inserimos um usuário real existente no perfil P_Agenda_INTERAGI), é a vez de criarmos a interface da Agenda INTERAGI como exibida na figura da pág. 5 usando o módulo já instalado **FullCalendar View**.

Parte 3

FullCalendar VIEW

Montando a View da Agenda INTERAGI

Structure > Views > Add view

Queremos montar uma View com o nome **Agenda INTERAGI** exibindo o **Conteúdo** (content) do tipo **Agenda INTERAGI**. Repare que ao escolher o tipo Agenda INTERAGI (tipo de conteúdo montado previamente), os campos **tagged with** e **sorted by** desaparecem.

The screenshot shows the 'Add view' configuration page in Drupal. The breadcrumb trail is 'Home > Administration > Structure > Views > Add View'. The page is divided into several sections:

- VIEW BASIC INFORMATION:** 'View name' is 'Agenda INTERAGI' (Machine name: agenda_interagi). There is an unchecked checkbox for 'Description'.
- VIEW SETTINGS:** 'Show:' is 'Content', 'of type:' is 'Agenda INTERAGI', and 'sorted by:' is 'Newest first'.
- PAGE SETTINGS:** 'Create a page' is checked. 'Page title' is 'Agenda INTERAGI' and 'Path' is 'agenda-interagi'.
- PAGE DISPLAY SETTINGS:** 'Display format:' is 'Full Calendar Display'.
- Items to display:** '10'.
- Other options:** 'Use a pager' is checked, 'Create a menu link' and 'Include an RSS feed' are unchecked.
- BLOCK SETTINGS:** 'Create a block' is unchecked.

At the bottom, there are 'Save and edit' and 'Cancel' buttons.

<https://drupal9511.docasdonio.net>

Existem dois modos:

PAGE SETTINGS

[] Create a page - A agenda será montada em pagina inteira com seu URL próprio.

OU

BLOCK SETTINGS

[] Create a block - A agenda será montada em um bloco a ser disposto em alguma região* do site

Vamos escolher o primeiro.

Ao escolher [x] Create a page, dois novos campos surgirão já preenchidos (podem ser alterados):

Page title [Agenda INTERAGI]

Path [agenda-interagi]

Desmarque [] Use a pager

Clique [Save and Edit] se aceitar a sugestão dos nomes.

Vai abrir a tela **Agenda INTERAGI (Content)**

Observação: se sair agora e quiser continuar depois com a configuração desta View Agenda INTERAGI:

Faça login, vá para Structure > Views, na coluna **VIEW NAME** localize Agenda INTERAGI e clique no botão **Edit**

(*) **Nota:** Regiões são posições específicas do layout de página que podem variar de posição, tamanho, quantidade e nome, conforme o tema escolhido para “vestir” o site. As regiões variam de um tema para outro e são nomeadas de acordo com as posições que ocupam na página, por quem fez o projeto daquele tema.

Algumas das regiões disponíveis no tema “Catalog Lite” usado no nosso site para posições específicas como Cabeçalho, Lateral esquerda, Conteúdo principal, Lateral direita e Rodapé, entre outras são: Header First, Header Second, Sidebar first, Content, Sidebar second, Footer bottom, apenas para citar algumas. Nem todas as regiões precisam ser ocupadas. As que restarem vazias ficam ocultas.

Para montar uma página são utilizados **Blocos** que podem conter texto formatado, links, listas, imagens e até Views. Daí a disponibilidade de escolher entre montar a View em página inteira com URL própria OU montar a View em um bloco, dando-lhe um nome.

O bloco contendo a View (ou algum outro tipo de informação).é então inserido em uma **região** determinada em relação à página (ou páginas) do site.

Existe uma infinidade de opções para posicionar o bloco em apenas uma determinada página, ou para determinar que somente usuários que fizeram login no site podem ver o bloco, ou ainda que aquele bloco só será mostrado em um grupo de páginas que pertença, a um **Tipo de Conteúdo**.

Exemplo: Posicionar o bloco de nome “CONTRASTE” (normal, letra amarela em fundo preto ou letra azul escuro em fundo azul claro), na coluna lateral direita.

Para ver as regiões do site vá em Structure > Block Layout

Clique em [Demonstrate block regions \(Catalog Lite\)](#)

A seguir temos a demonstração das regiões do tema Catalog_Lite em amarelo
